

AUSTRALIAN NATIONAL IMAMS COUNCIL

9th of June 2020

To Whom It May Concern

Assalamu Alaikum Wa Rahmatullahe Wa Barakatuhu

Subject: Letter of Support to first Islamic Centre in Gladstone, Queensland, Australia

We are pleased to support the Islamic Society of Gladstone Inc. (ISG), a registered organisation with the Australian Charities and not-for-profits Commission (ACNC) and part of the mainstream Australian Muslim community in QLD. ISG represents Muslims in the Gladstone Region including the township of Tannum Sands, Boyne Island and Turkey Beach. Gladstone is a coastal township situated 550 km North of Brisbane.

For the past 13 years the Muslim community in Gladstone has been using a rented facility for its religious needs. Over the years, Gladstone has seen a consistent increase in the number of Muslims in the area. The rented facility has become inadequate to meet the community's needs and demands.

ANIC also congratulates ISG for the recent approval of the developmental application (DA) for construction of the Gladstone Islamic Centre project granted by the Planning and Environment Court, Brisbane in May 2020.

The Australian National Imams Council Congratulates the Muslim Community of Gladstone for achieving this milestone.

ANIC urges the community to support Islamic Centre of Gladstone in accomplishing the construction of their Centre.

Thank you for your support.

Best Regards,

Imam Shadi Alsuleiman
President of the Australian National Imams Council
